

P01 Every numbered paragraph here is list A (w:num 80) unless it says list B (w:num 81). The text box's two branches differ, so the branch drawn is read from its text, and the body's count after the box from its labels.

1. P02 body item of list A
2. P03 body item of list A
3. P04 body item of list A

1. P05 wps Choice item of list A
 2. P06 wps Choice item of list A
 1. P07 wps Choice item of list B

P13 A text box whose branches differ:

4. P14 body item of list A after the box
5. P15 body item of list A after the box
6. P16 body item of list A after the box
1. P17 body item of list B after the box

P18 after.
