

P01 Each bordered paragraph below carries a left w:pBdr of w:sz 18 (2.25pt) and w:space 8, and nothing on the other three sides. Read the bar's x against the paragraph's two text edges: the first line's and the continuation lines'.

P02 A: w:ind left 1134 hanging 1134, so the first line starts at the margin and the lines after it 56.7pt in.

P03 This paragraph is long enough to wrap, so the golden shows the continuation lines' left edge as well as the first line's. The quick brown fox jumps over the lazy dog while the farmer watches from the gate. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

P04 B: the same indent from a numbering level (w:ind left 1134 hanging 1134 on the level), so the label stands where A's first line does.

1. P05 This paragraph is long enough to wrap, so the golden shows the continuation lines' left edge as well as the first line's. The quick brown fox jumps over the lazy dog while the farmer watches from the gate. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

P06 C: w:ind left 1134 firstLine 567, the control: the first line is indented FORWARD, so w:ind left is the leftmost text edge.

P07 This paragraph is long enough to wrap, so the golden shows the continuation lines' left edge as well as the first line's. The quick brown fox jumps over the lazy dog while the farmer watches from the gate. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

P08 D: w:ind left 1134 and no first-line indent at all, the second control.

P09 This paragraph is long enough to wrap, so the golden shows the continuation lines' left edge as well as the first line's. The quick brown fox jumps over the lazy dog while the farmer watches from the gate. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

P10 E: w:ind left 1134 hanging 1134 with w:space 0, so the bar has no gap to stand off by.

P11 This paragraph is long enough to wrap, so the golden shows the continuation lines' left edge as well as the first line's. The quick brown fox jumps over the lazy dog while the farmer watches from the gate. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

P12 after.
