

The document defaults are bold. Every case below is one run, so each line is wholly one weight; the line says which case it is.

case 6: docDefaults bold, paragraph style ProbeUnbold is w:b w:val=0, plain run

case 7: docDefaults bold, paragraph style ProbeUnbold is w:b w:val=0, run in character style ProbeColour which sets only w:color

case 8: docDefaults bold, paragraph style ProbeBold is w:b, plain run

case 9: docDefaults bold, Normal paragraph, plain run - the control
